

## **G5 Entertainment releases Jewels of The Wild West for worldwide pre-order**

G5 Entertainment announces the availability of its new free-to-play Match-3 puzzle, Jewels of The Wild West for pre-order in the Apple App Store.

The game is a unique combination of city-building and Match-3 that features thousands of puzzle-matching levels with the aim of restoring and reconstructing Colinstown, a troubled outpost in the Old West. In this game, players can enjoy a captivating storyline and engage with charismatic townspeople set in an adventure-filled Western themed town inspired by the history and tales of the Wild West.

As with all new G5 games, Jewels of the Wild West will have the G5 Friends network built-in, making it possible to play with friends.
