2020-10-02 PRESS RELEASE

G5 Entertainment announces the release of its new free-to-play mahjong solitaire game, Sheriff of Mahjong, now available globally in the Apple App Store, Amazon Appstore, Google Play and Microsoft Windows Store.

In Sheriff of Mahjong, players travel back in time to a struggling frontier in the Old West with the aim of restoring the town back to its former glory. In this game, players can enjoy the combination of city building and classic tile pairing, tied with a storyline of the hardscrabble realities of the Old West. As players play through thousands of mahjong levels, they can enjoy buildings and landmarks inspired by the history and tales of the Wild West.

As with all new G5 games, Sheriff of Mahjong has G5 Friends network built-in, making it possible to play with friends.
