

G5 Entertainment releases new merge puzzle game Bayside Merge in Poland and the United Kingdom

G5 Entertainment announces the release of its new free-to-play merge puzzle game, Bayside Merge, currently only available in the Google Play Store and limited to Poland and the United Kingdom.

Bayside Merge is a reconstruction game adventure that combines city building, home restoration and design merge. In this game, players become city makeover merge masters as they embark on a challenging task: to restore the tropical coastal paradise of West Haven Bay back to its former splendor. As players renovate and decorate online or offline, they can enjoy endless renovation and designing possibilities all while being captivated by interesting storylines, drama, and exciting characters.

As with all new G5 games, Bayside Merge has G5 Friends network built-in, making it possible to play with friends.
